

## **DONALD HILLE**

### **Class of 1946**

Don Hille (1942-1946) studied electrical engineering (radio and electronics), followed by post-graduate courses at Sydney University. He was a design engineer for A.W.A 1947-1957, followed by senior engineer positions at Australian Atomic Energy Commission at Lucas Heights, Ducon Industries, Plessey SAFT and international manager for the Hanimex Corporation. He is a member of the Institute of Engineers and a Fellow of the Institution of Radio and Electronics Engineers. Since his retirement in 1986 he has been a part-time consultant engineer and sales consultant.

In his retirement, Don has been President of the Macquarie branch of National Seniors Australia and West Epping Probus Club. In 1999 he was recognised by the Commonwealth of Australia with a seniors Certificate award.
